

Oulton Park

105dB

Itinerary:

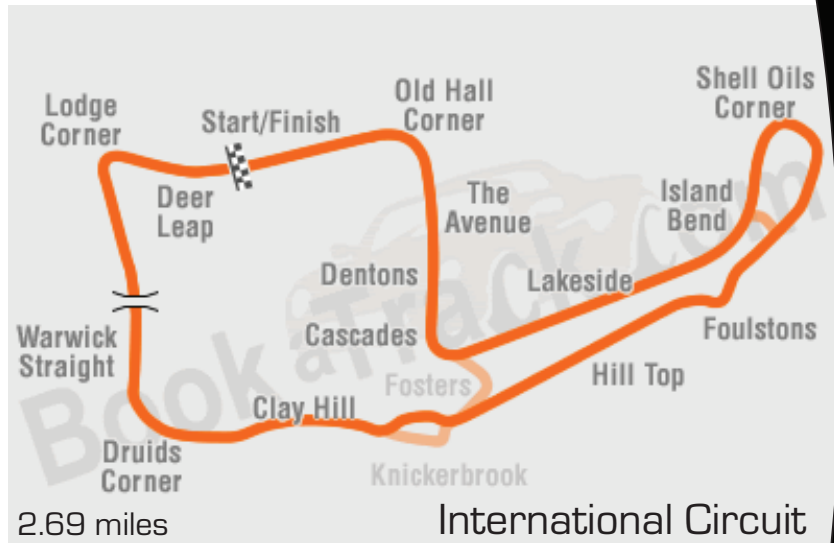

08:00 Sign On (Race Control)
08:30 Safety Briefing (Race Control)
09:00 Driving Begins
12:30 Lunch
13:30 Driving Resumes
17:00 End of Day

Oulton Park is one of the most popular to drive our Caterhams. The parkland setting challenges both driver and car.

Facilities:

Chequers Cafe
Fuel available on site
26 garages to hire for £40
(Subject to availability)
Various spectator areas

BaT Photography

Our professional motorsport photographers will be taking photos throughout the day. These can be purchased on USB, CD or online download. Book online before the track day and receive 10% discount!

Instruction

Our professional ARDS instructors are on hand all day to provide tips on your driving, car and circuit. The cost is £50 for 2 x 20 minute sessions (1 in the morning, 1 in the afternoon), subject to availability. Please book in advance to avoid disappointment.

Storage & Car Transportation

BAT can securely store your track day car at our workshop at Donington Park for £75 + VAT per month (minimum 12 months) and transport it to any UK BAT track days for £125 + VAT. For track days at Donington Park, there is no charge for delivery. For more information, email info@bookatrack.com.

Caterham Hire

Our fleet of 'arrive and drive' Caterhams are available to hire **from £750** at any UK circuits and **from £1295** at circuits in Europe. Our full calendar of events can be found at BookaTrack.com. These prices include VAT, exclusive use, mechanical support and all consumables, fuel, 2 x 20min sessions of ARDS instruction and insurance (subject to excess)

We have 5 models of Caterham.
The SV models have the larger chassis to accommodate taller and broader drivers (over 6' 2").

Caterham Academy (125bhp)
Caterham R300 Superlight (180bhp)
Caterham R300 Superlight SV
Caterham 620R (310bhp)
Caterham 620 SV

★ **If you have hired one of our Caterhams please bring your car hire agreement, which can be downloaded from your shopping basket.**

Rules & Regulations

- All cars must pass a 105dB static noise test.
- Drivers and passengers must sign on and obtain a wristband to be allowed access on track. **All drivers must show a full UK driving license at sign-on.**
- All drivers must attend a safety briefing at 08:30.
(For late arrivals the second briefing will be at 09:30).
- Road cars must be MOT'd, racecars must have passed MSA scrutineering within the last year (We do not scrutineer cars therefore it is the responsibility of participants to ensure their car is in track worthy condition)
- All participants must wear a suitable crash helmet and have covered arms and legs and bring waterproof clothing in the event of rain.
- Slick tyres are permitted but only if the car has adequate roll protection.
- Passengers must be 16 years or older, if under 18 years old a parent or guardian must counter sign their disclaimer.
(No children under 16 years of age are allowed in the pit lane).
- Hand held cameras cannot be used whilst out on track.
